Interesting

```
.project-card:hover .project-img{  
  filter: blur(20px);  
}
```

```
.project-card:hover .project-img2{  
  filter: blur(20px);  
}
```

Challenging

```
const links = document.querySelector('a');  
const sections = document.querySelectorAll('h2');  
  
let activeLink = 0;  
  
links.forEach((link, i) => {  
  link.addEventListener('click', () => {  
    if(activeLink !== i){  
      links[activeLink].classList.remove('active');  
      link.classList.add('active');  
      activeLink = i;  
      sections[i].scrollIntoView({behavior: 'smooth'});  
    }  
  });  
});
```

What I learned?

- Learning how to do something before actually doing it
- Pay attention to details
- Things might not always go the way you expect

Next steps

- Add further details about projects
- Include captions under the photos in gallery
- Add a playground/ interactive section
- Turn the whole website into a game
